

Personalized Treasury Management Solutions

ON TIME. THE FIRST TIME. EVERY TIME.

Allow **SUPERIOR PRESS** to eliminate your pain

Personalized Treasury Management Solutions

Superior Press is committed to identifying and eliminating our clients' pain by listening and creating solutions through relationships based on trust and integrity. Clients experience the Superior Press difference with dedicated service representatives, expedited order processing, user-friendly online ordering systems and personalized service agreements.

SUPERIOR PRESS can help your bank with...

1. Commercial client supply order workflows
2. Speeding up client on-boarding
3. Assisting with high value and large client implementation
4. Dedicated call center & order processing teams
5. Check image & MICR testing
6. Custom check and deposit slip printing for clients
7. Building great first impressions to new clients
8. Client implementation feedback and survey results
9. Industry specific market group supply support
10. Satisfying unique billing and client specific requirements
11. Mergers and acquisitions supply support
12. Bundled products with personalized welcome kits
13. Handling sensitive client data and materials
14. Ease the burden of vendor compliance/risk management
15. Personalized service with 100% SLA fulfillment
